

The
Freedom
Swivel™

SPEED | IMPROVE PRODUCTION | AIR TOOL ERGONOMICS

with 360 degrees of ease

Set your air tools free with the tangle-free, angle-free, fatigue free Freedom Swivel

The Freedom Swivel™ from Gripnail. It just may be the perfect air tool coupler - take it for a spin and see for yourself. For more information and to see a video of it in use, visit: www.gripnail.com.

The Freedom Swivel™ from Gripnail is the tangle-free, angle-free, fatigue free, air tool coupler with unique ball bearing construction.

The Freedom Swivel improves the performance of pneumatic hand tools. Its hemispheric range of motion makes any job easier, and makes tools and users more productive.

- Allows tools to be used at any angle with greater comfort and less wrist, elbow, shoulder and back fatigue.
- No more fighting with air hoses.
- Rugged, ball bearing construction and dynamic seal provide years of reliable service.
